Meeting notes:

Mole's design

- Presentation of scheme designed by Mole and comments received from members attending
- Balconies to be reassessed, e.g. corner balconies and more privacy
- There are no tree restrictions imposed anymore, as Jim did investigation with Arboricultural Consultants
- Architects to improve back space to respond to more space available

Allocations

- Survey has been circulated and 15 responses so far
- Marion: how to avoid creating friction between members in competition for flats?
- Jim: those on the table in housing need would create a great community
- How do we care for older people? – importance to make the scheme intergenerational and not to exclude anyone
- Marion to join the allocations sub-committee (?)
